

Student Packing List

Hawaii Tour 2022

- Students are allowed ONE checked suitcase (approximately 9 inches deep, 23 inches high and 18 inches wide) and ONE smaller carry-on bag such as a backpack.
- Students must arrive at the airport wearing their yellow trip t-shirt. We will be going directly from the airport to hike Diamond Head, so students must be ready to hike without needing to change their clothes (i.e. wearing good walking shoes and comfortable pants/shorts; sunscreen on or available; empty water bottle and hat in their backpack/daypack)
- At this time, the State of Hawaii's policy regarding masking differs from that of California. Accordingly, all students should be prepared to wear masks at various times during the trip, and for the duration of both flights. The vast majority of our events will be outside, and performance masks will be provided. Chaperones will also carry an extra supply of surgical and KN95 masks, and hand sanitizer.
