Apply for an Exemption/Exception from Quarantine

Exemptions/exceptions may be obtained through one of two primary methods: Vaccination **OR** NAAT/PCR Testing.

- “COVID Vaccine Exemption”
 - Travelers must be fully vaccinated (including 14-day waiting period) prior to departure. Booster not required.
 - Fully vaccinated travelers must upload a .pdf/.jpg image of their CDC Vaccination Record to be verified.
 - Vaccination records may be uploaded any time prior to flight departure to Hawaii.
 - Follow all upload standards (formatting, documentation, required information, etc.)
 - ***Travelers must bring this document on the trip and have it in-hand for verification at the airport.***
 - Prior to submission, travelers must read, understand, and agree to the legal declarations which follow.
- “NAAT/PCR Testing Exception”
 - Only NAAT and PCR tests will be accepted. Antigen & antibody tests will be rejected.
 - Sample collection must take place no earlier than 72 hours prior to departure of the final leg to Hawaii.
 - ***Testing window for the group opens at 7:00AM PST on 03/14/2022.***
 - It is recommended that you complete this process as early as possible once the window opens to allow as much time as possible for results to be returned. Delayed results will result in quarantine upon arrival until your results are received, uploaded, and manually verified by the State of Hawaii.
 - ***Travelers must obtain a test through one of Hawaii’s Trusted Testing & Travel Partners for authentication and verification. All other tests will be rejected.***
 - CVS & Walgreens, among other vendors, are approved. Be sure to make an appointment and tell them this is required for travel to Hawaii.
 - For a full list of approved vendors, visit <https://hawaii-covid19.com/travel-partners/>.
 - Travelers must upload a .pdf file of their negative test result to be verified by the lab.
 - Test results must be uploaded prior to flight departure to Hawaii.
 - Follow all upload standards (formatting, documentation, required information, etc.)
 - Note that first & last name on the test must be the same as the name entered into Safe Travels.
 - Test must be from an approved vendor.

- Sample collection date must be shown on the report - no earlier than 72 hours prior to final leg departure to Hawaii.
- Test result.
- Type of test administered.
- Do not upload screenshots of your phone, mobile device, or computer, or photos of your test. They will fail.
- ***Travelers should bring this document on the trip and have it in-hand for verification at the airport.***
- Prior to submission, travelers must read, understand, and agree to the legal declarations which follow.
 - *Note: Be sure these items are completed for each traveler, including students/minors for whom you are responsible.

Health Questionnaire

This must be completed within the last 24 hours prior to your inbound flight to Hawaii and cannot be completed earlier.

*Note: Be sure this item is completed for each traveler, including students/minors for whom you are responsible.

QR Code

Once your Health Questionnaire is complete, a QR code will be sent to the e-mail address of the account holder. This QR code will be presented upon arrival at Honolulu International Airport for admittance to the Island of O'ahu. We suggest taking a screenshot for easy access upon landing.

Once your QR codes are received, please forward each QR code to morgan.burgett@musictravel.com as a backup.
